Please login and re-integrate Your Stripe Account with Pabbly Subscription Billing!

This is for you if you've been using Stripe. **As an additional security measure, we're revising the process of integrating Stripe with Pabbly Subscription Billing.**

Please login into your Pabbly Subscription Billing account and go to settings->Payment Gateway Integration->Connected Gateways->Click on three dot menu besides Stripe->Add Publishable Keys & Secret Key.

Payment Edit

Gateway status

Activate

Gateway Name

Stripe

Enter a suitable gateway name, example: Stripe / PayPal / Credit Card / Test Gateway. This gateway name will be displayed on the checkout page at the time of payment.

Publishable Key

Stripe Secret Key

This secret key is used to integrate this payment gateway with Pabbly Subscriptions. To get your Stripe secret key, click the link below - <https://dashboard.stripe.com/account/apikeys>.

[Checkout Stripe integration guide here.](#)

Submit

Cancel

Please fetch the Publishable Key & Stripe Secret from your Stripe Account and paste it in the respective fields. **If haven't added your Publishable Key, your Stripe integration will expire!** Please complete the process ASAP and feel free to reach out to us if needed. [Locate your stripe keys.](#)

Login & Re-integrate Stripe
