

Issue 1. The position title appears here but does not transfer over into Copper

Name (Required)

1. Name : Sandra Brown

Enter Person Name.

Title

1. Position Title : CEO

Enter the professional title of the Person.

Email (Required)

1. Email : slbuckley14@gmail.com

Enter Email.

Issue 2. And now the Company Name is now missing, it's not an option in the list for Copper

This screen shot is from the workflow history that shows the Company name was being transferred prior to the recent change
