

Woocommerce Order Status Update

Trigger : When this happens ...

1. Webhook by Pabbly : Capture Webhook

Choose App

Webhook

Webhook URL

https://connect.pabbly.com/workflow/sendwebhookdata/ljc2MjU0lg_3D_3D

Copy

Copy the webhook URL and add it under the webhook section of the application you're willing to connect with. Once done, Do a test submission/record in that application to capture the webhook response here.
